EXPERIENCE

FREELANCE | TORONTO | OCT 2013 – PRESENT

Web Developer

Focused upon custom web solutions for creative clients. With projects ranging from fashion and e-commerce to portfolio sites for videographers, artists and musicians.

AGA KHAN MUSEUM | TORONTO | NOV 2016 – MAY 2017

Digital Content Coordinator

Coordinated the daily content updates across the museums website. Design and built custom templates for the content management system. Composed user guides for internal use.

TOTEM INTERACTIVE | TORONTO | OCT 2016

Content Migration Specialist

Assisted in the migration of content between two proprietary content management systems. Created custom templates to be used across the new site.

TRAFFICJAM.TO | TORONTO | SEP 2015

Developer / Digital Designer

A 48 hour Hack-a-thon hosted by the City of Toronto. With an emphasis on big data, designers and developers will team together to help find innovative solutions to Toronto's traffic congestion.

STUDIO F MINUS | TORONTO | OCT 2014 – FEB 2015

Design Assistant

Assist principal designers in all avenues of their public art commissions from schematic design and competition calls to fabrication and installation. Tasks include graphic design and presentations, 3D rendering, fabrication and installation.

RYERSON ARCHITECTURE | TORONTO | AUG 2014

Web Developer / Animation

Worked closely with the lead developer to design the Department's new website. Created logo animations.

LUMINATO: HIGH SCHOOL HEALTH | TORONTO | 2014

Artist and Graphic Designer

An education film exhibited for Luminato Festival 2014. Designed original art for the film's intro animation sequence, logos and typography.

TORONTO INTERNATIONAL FILM FESTIVAL | SEP 2008

Courier

Employed as a bicycle courier responsible for the supply and delivery of cash and tickets for TIFF box offices and theatre locations.
