EXPERIENCE

FREELANCE | TORONTO | OCT 2013 – PRESENT
Web Developer

Focused upon custom web solutions for creative clients. With projects ranging from fashion and e-commerce to portfolio sites for videographers and musicians.

TRAFFICJAM.TO | TORONTO | SEP 2015
Developer / Digital Designer

A 48 hour Hack-a-thon hosted by the City of Toronto. With an emphasis on big data, designers and developers will team together to help find innovative solutions to Toronto's traffic congestion.

STUDIO F MINUS | TORONTO | OCT 2014 – FEB 2015
Design Assistant

Assist principal designers in all avenues of their public art commissions from schematic design and competition calls to fabrication and installation. Tasks include graphic design and presentations, 3D rendering, fabrication and installation.

RYERSON ARCHITECTURE | TORONTO | AUG 2014
Web Developer / Animation

Worked closely with the lead developer to design the Department's new website. Created logo animations.

LUMINATO: HIGH SCHOOL HEALTH | TORONTO | 2014
Artist and Graphic Designer

A sex education film exhibited for Luminato Festival 2014. Designed original art for the film's intro animation sequence, logos and typography.

TORONTO INTERNATIONAL FILM FESTIVAL | SEP 2008
Courier

Employed as a bicycle courier responsible for the supply and delivery of cash and tickets for TIFF box offices and theatre locations.

DRAWN IN DEPTH | TORONTO | OCT 2006 – MAY 2007
3D Artist

Assisted an architecture interior visualization firm in managing assets and libraries. Modeled furniture and props to be used in renders.

COLOURSTAR | TORONTO | FEB – MAY 2005
Graphic Designer/ Printer

Graphic design for business cards, brochures, books and other printed material.
